

Mohsin Raza

Senior Associate, London

Mohsin Raza is a Senior Associate based in the London office of RBB Economics. He joined the firm in 2016 after completing an MSc in Economics (with distinction) at UCL. Mohsin also holds an undergraduate degree from the University of Birmingham.

Mohsin has worked on several high-profile competition matters covering horizontal mergers, abuse of dominance investigations and sector inquiries. This includes cases before the European Commission, the UK's Competition and Markets Authority, and national authorities in Australia and France.

He also assisted in the preparation of expert witness reports in front of the Australian Competition Tribunal, assessing the effect of the merger between Tabcorp and Tatts on competition in wagering.

Other clients Mohsin has advised include Google, Siemens, Alstom, Teva and Intrum Justitia. His experience covers a range of sectors, including online advertising, rail transport, private healthcare, groceries and wagering.
