

Severin Haugg

Senior Associate, London

Severin Haugg is a Senior Associate in RBB's London office. He holds a M.Sc. degree in Economics from NOVA SBE, Lisbon. He is fluent in German and English.

Severin has advised clients on mergers raising both horizontal and vertical concerns, both before the European Commission and before the CMA, including Sainsbury's/Argos, Discovery/Scripps and Comcast/Sky.

Severin has also contributed to overcharge and damage assessments in cartel matters before the national courts in Germany and assisted Google in conducting research on the value of YouTube to the Music Industry.

Clients Severin has worked with include, Sainsbury's, Comcast, Discovery, H3G, upc cablecom, YouTube, Nordzucker, Japan Airlines, British Airways and trivago.

Severin's experience covers a range of sectors, including retail, commodities, technology, television programming and broadcasting activities, telecommunications, airlines, transport and travel booking portals.
