

# Nuno Alvim

Principal, London

Nuno Alvim is a Principal based in the Brussels office of RBB Economics. He holds a PhD in Economics from Universitat Autònoma de Barcelona. He has experience across all areas of competition law and has lectured in microeconomics and economics of competition.

Nuno's experience includes all aspects of competition law, including mergers and antitrust cases, and spans across several sectors of the economy.

Nuno has advised on cases both before the European Commission and other national competition authorities, including Portugal, Brazil and Spain.

Nuno's experience includes several landmark cases. He advised clients such as Telia Company, Anheuser-Busch InBev, Altice, American Express, Rubis Gas, Google, TAP and Brussels Airlines.

Nuno has lectured for the Postgraduate Diploma for Competition Law at Faculdade de Direito de Lisboa and has experience as a lecturer for microeconomics and industrial organization.

Nuno holds a degree in Economics from Nova SBE, and an MSc and a PhD from IDEA, Universitat Autònoma de Barcelona.
